

The Edmonton Association of Small Animal Veterinarians

is pleased to present a lecture & wet-lab for veterinarians....

All About the Abdomen Surgery Course

with Audrey Remedios, DVM, DACVS and Lindsey Kurach, DVM, DACVS-SA

Lecture Date: Wednesday, April 13, 2022

Wet-lab date: Sunday, April 24, 2022

The wet-lab has been increased to 24 attendants! Those on our cancellation list will be contacted for first dibs on getting in should someone call in sick at the last minute.

Lecture will be streamed prior to the wet-lab

Virtual Lecture: Wed, Apr 13, 2022 **Time:** 6:30-9:30 pm MST

Wet-lab Date: Sunday, April 24, 2022 **Time:** 9 am-3 pm MST

Location: Coast West Edmonton Hotel & Conference Ctr

Address: 18035 Stony Plain Rd, Edmonton, AB T5S 1B2

Course Abstract: Exploratory laparotomy: systemic assessment of the abdomen, biopsy of the liver, stomach, intestines, lymph nodes and bladder.

GI Surgery: Gastrotomy, enterotomy & intestinal resection and anastomosis;

GDV: prophylactic incisional gastropexy & incisional gastropexy for treatment of GDV; **Splenectomy**

About Audrey Remedios: After finishing her veterinary degree, Dr. Audrey Remedios completed a surgical residency and Master of Veterinary Science program at the WCVM and an ACVS specialist in both large and small animals. After 9 years of teaching at WCVM, she moved to Calgary and established the Western Veterinary Specialist Centre. She started and developed the small animal surgery program in the newly established University of Calgary's School of Veterinary Medicine and taught there for 5 years. Dr. Remedios has been working in private practice for a number of years and also provides care for animals from many rescue groups including the Alberta Spay Neuter Task Force, AARCS and Cochraine & Veterinarians Without Borders.

Workshop/Lecture Fees:	Lecture only (3 hrs)	Workshop (8 hrs)
EASAV/CAVM Members:	\$25	\$895
Non-member vets:	\$62	\$995
