This seminar is AbVMA-approved for 6 hours of CE credit

Topics include: Canine Pancreatitis, Feline Pancreatitis, Exocrine Pancreatic Insufficiency, Canine Diabetes, Feline Diabetes, Diabetic Ketoacidosis

Speaker Biography:

Jonathan received his veterinary degree from the University of Glasgow, Scotland in 2002. He worked for several years in general and referral practices in the United Kingdom before completing an internship in small animal medicine and surgery at the California Animal Hospital in Los Angeles, California. In 2007 Jonathan joined the GI Lab as a PhD student and he started his residency in small animal internal medicine in 2008. In 2011, Jonathan achieved board certification with the American College of Veterinary Internal Medicine. He is interested in all areas of small animal gastroenterology and is working to develop new non-invasive tests for liver disease in dogs. Jonathan currently serves as an Assistant Professor with the Department of Veterinary Small Animal Clinical Sciences at Texas A&M University.
