

The Edmonton Association of Small Animal Veterinarians

is pleased to present 6 hrs of AbVMA-approved continuing education for veterinarians and RVTs....

Let's Talk About Pee: "Urine" the Right Seat!

with Serge Chalhoub, DVM, DACVIM (SAIM)

Seminar Date: Sunday, November 22, 2020
Full-day Seminar Time: 8:45 am - 4:00 pm

AM Session: 8:45 - 12:00 noon (Reg at 8 am - incl breakfast)

PM Session: 12:45 - 4:00 pm (Reg at 12 noon - incl. lunch)

Throughout the day, we will talk about updates with the urinary system in cats and dogs and focus on a case-based approach.

AM Session Topics: It's all about the kidneys

1. Early CKD diagnosis: why bother?
2. Anything new in treating CKD?
3. Acute kidney injury: it's not always the kidney's fault

PM Session Topics: Inappropriate urination

4. FLUTD in cats: what's the evidence for what we do?
5. Female dog incontinence: new treatments
6. Leptospirosis.... in Alberta?

About Dr. Serge Chalhoub: Born and raised in Montreal, Dr. Chalhoub graduated from the DVM program at the Faculty of Veterinary Medicine (FMV) of the University of Montreal in 2004. He then completed a one-year rotating small animal internship at the same institution. After working for two years as a general practitioner & emergency vet at the DMV Centre in Montreal, Dr. Chalhoub pursued a residency in small animal internal medicine at the Animal Medical Center (AMC) in New York City. Once completed, he stayed on at the AMC as their first renal/hemodialysis fellow. During this time, he was also trained in interventional radiology/endoscopy. Dr. Chalhoub is currently a senior instructor at the UCVM. He was the recipient of the 2013 Canadian Veterinary Medical Association's Teacher of the Year Award, the 2015 University of Calgary Team Teacher of the Year Award, and the 2017 Carl J. Norden Distinguished Teacher Award. He is the coordinator of the UCVM-CUPS Pet Health Clinic for disadvantaged Calgarians. He has authored and co-authored numerous scientific articles and book chapters on veterinary point of care ultrasound, renal and urinary medicine.
